

The Champion of the World!

It's like the Olympics for beer. Hundreds enter.
They all dream of claiming the title.
But only one walks away with gold!

At the 2008 European Beer Star Awards held in Germany, Namibia's Finest Tafel Lager was voted the world's best mild beer by an international panel of experts. Tafel Lager was also the only beer from the African continent to win a prestigious award.

Grab a cold one, feel the smooth refreshing taste as it slides down your throat and join us in celebrating another of Namibia's finest performances. Cheers!
