## THAT RIDE YOU'VE BEEN WAITING FOR

NBL is proud and excited to be the power brand behind the latest, greatest initiative - LEFA - a cab-requesting service and mobile app that is punctual, safe and reliable! This innovation, founded by Melkisedek Shivute Ausiku or "Melkies", was prompted to address the national concern of the alarming rate of road accidents and fatalities on Namibian roads, which is often caused by drunk-driving. A few extra bucks to get you home safely is better than ending up behind bars, in a grave or causing the death of others. Go on and download the LEFA App now!

## PUTTING SMILES ON CHILDREN'S FACES

For the 17th consecutive year, NBL donated 360 cases of its non-alcoholic beverage brands to the National Institute for Special Education (NISE). NISE includes the School for the Hearing Impaired, School for the Visually Impaired, and also the Mōreson School for the Mentally Impaired.

## WELCOME!

The O&L Talent Attraction Program (TAP) recently welcomed its 2018 intake. We are excited to introduce the NBL placements who are Wallace Endley, Wade Visagie, Paavo Uutako and Henri Laurie.
